Senior Class History

Four short years ago there were twenty-three students that entered into Port Hope High School. Our class advisor was Mr. Rogers. About a month later the sophomore class initiated us. That year we sponsored a variety of activities: Our major one was a dance called "Sweethearts Swirl".

When we returned in our sophomore year we had only 21 members. About a month later we initiated the freshman class. We had bake sales, a dance, and a car wash. In April the year was climaxed when we received our class rings.

Our junior year was one of our big years. Our class advisors were Mr. Dailey and Mr. Dillon. This year we had bake sales, a card party, a car wash, and clean-up campaigns. We highlighted the year by putting on the Junior and Senior Prom and Banquet.

Our final year of high school life had finally arrived. Our class advisor for this year was Mr. Dailey. Our first big success was a smorgasbord supper. Other activities were: stationary sales, magazine sales, fish fries, candy and popcorn sales. We all climaxed the year by having fun on our four day trip to New York and the World's Fair. Graduation exercises were held June 3, 1964, and we, the twenty remaining students, were ready to challenge a new world.
